

Distinguished Service Award

In recognition of a distinguished record of service to the IEEE MTT Society and the microwave profession over a sustained period of time.

Manfred Schindler

Fred Schindler has spent his career in industry working on RF, microwave, and mm-wave semiconductors. He has worked at Qorvo, RFMD, IBM, ATN Microwave, and Raytheon. Fred continues to be active in the IEEE and MTT. He is currently Chair of the IEEE Conferences Committee, and member of TAB and PSPB. He was MTT Secretary in 1993 and President in 2003. He was General Chair of RWS in 2006, and IMS in 2009. He has contributed a column on Microwave Business to *IEEE Microwave Magazine* since 2011.
